

Africa's top 50 most funded startups in 2025

In 2025, startups across African countries raised a total of \$3.42B in funding. The top 50 startups alone attracted \$2.69B, accounting for 78.7% of total capital raised. Tier 1 markets (Kenya, South Africa, Egypt and Nigeria) captured the lion's share of this capital, reinforcing their dominance in Africa's venture landscape.
